Inspiring Excellence

Saint Thomas Elementary is a Catholic School founded on the loving sacrifices of men and women who not only believed in Gospel living but lived the Gospel themselves.

St. Thomas School first opened its doors on January 5, 1903, with thirty-eight students in grades one to six, taught by two Sisters of Divine Providence. Today St. Thomas is a thriving school community offering a rich educational experience for children in preschool through grade eight. This year more than 220 students will be educated at St. Thomas by a staff of twenty teachers.

Cultivating Leaders

For more than a century, St. Thomas has been educating children of Ft. Thomas and neighboring communities. These students have grown to live lives of dignity, character and service. Our graduates are priests and religious, public and private school teachers, bankers, lawyers, entrepreneurs, and valued colleagues in every walk of life. Everywhere they go, St. Thomas graduates contribute to their community's success.

Playing and working together in harmony,
we know we can continue to do great things!

St. Thomas School

The cost of educating children has skyrocketed in recent years. To keep Catholic education affordable for all families, the parish now issues an annual appeal – the Saint Thomas Education Fund. Please help us bridge the gap between tuition revenue and the cost of Catholic schooling today. Your support will help continue our mission of spiritual development in an exemplary academic setting.

All donations go directly to St. Thomas Elementary School to help provide:

- Specialty teachers in the areas of Physical Education (P.E.), Art, Spanish, Music, Library and Technology
- Materials for Math, Science, Computers, Art and P.E.
- On-going maintenance of school buildings and facilities
- Tuition assistance to keep a Catholic education available for everyone

Please contribute today.
