

St. Thomas School

The figure of the Good Shepherd is often the catalyst to creative, inspiring works of art. History tells us this to be true. Now, St. Thomas School needs your help to provide the materials. We have a foundation of faith AND a mission to prepare children to live wisely and generously and to embrace the values of the Gospel.

School Mission:

St. Thomas will partner with the family to educate the child, using Christian values, superior academics, and loving discipline in a Catholic academic community graced by the spirit of Christ

Please help us continue the mission and vision of St. Thomas Elementary School.

St. Thomas School

"A room without books
is like a body without a soul" -Cicero

God speaks through human instruments.
What a great time to celebrate in harmony.
We need your help to make things new again.
As living plants turn toward radiant sun,
we ask you now to shine brightly on St. Thomas.

Saint Thomas School is a Catholic school founded upon the souls and hearts of those who sacrificed because they not only believed in Gospel living, but because they lived the Gospel themselves. St. Thomas School opened its doors on January 5, 1903, with thirty-eight students in grades one to six, taught by two Sisters of Divine Providence. This year over 250 students will be educated from pre-school to grade eight by twenty-two teachers.

St. Thomas Elementary needs you to maintain a vital Catholic academic role in our community. For more than a century, St. Thomas has been educating young children of Ft. Thomas and neighboring communities. These students have grown to live lives of dignity, character and service. Our graduates are Priests and Religious, public and private School Teachers, Bankers, Lawyers, Entrepreneurs. All contributing to the success of our great community.

The cost of educating an elementary school child has gone-up exponentially in the last decade. We must keep Catholic education affordable for all. Thus, we are launching The St. Thomas Education Fund: An annual appeal to help with the difference between tuition revenue and the cost of a superior academic, spiritual education. All the money you donate will go directly to St. Thomas Elementary School to help provide:

- full-time specialty teachers
- part-time counselor
- materials for math, science, computer, art & gym class.
- on-going maintenance to school building, classrooms and cafeteria.
